

## USE ME

Em A

My friends  
feel it's their appointed duty  
They keep trying to tell me  
all you want to do is use me  
But my answer >  
About all that use me stuff

I I I, I want to spread the news  
that if it feels this good getting used  
You just keep on using me (keep on using me)  
Until you use me up      Until you use me up

My brother >  
sit me right down and he talked to me >  
Well he told me >  
That I ought not let you just walk on me  
Well I'm sure that he meant well >  
yeah but when our talk was through

I I, I said brother, if you only knew  
you'd wish you were in my shoes  
You just keep on using me > (keep on using me)  
Until you use me up      Until you use me up

## INSTRUMENTAL

Sometimes  
it's true you really do abuse me  
Oh - you get me in a crowd of high class people >  
And you act real nasty to me >  
I said baby, baby, baby, baby  
when you love me I can't get enough

I I I- I want to spread the news  
that if it feels this good' getting used  
You can keep on using me > (keep on using me)  
'til you use me up      'til you use me up
